

Dear Parents,

The 3rd - 8th graders will be heading to the Arrow Rock Children's Craft Festival on Tuesday, September 19th. We will leave the school at 9:30 and return around 2:30. The students have the opportunity to interact with craftsmen and women from the 19th century. They will get to see various skills and trades from weaving and spinning to gunsmithing and soap making. PTO will be covering the \$4 admission fee. Thank you PTO!

If your child will need a school sack lunch please fill out the information below and return on or before Wednesday, September 13th. You may also email your child's homeroom teacher or call the office prior to the 13th to let us know if your child needs a school lunch.

You may want to send a couple of dollars with your child in case we have time to stop for a quick snack on the board walk or if there are items they wish to purchase from the craftsmen.

Thank you,
Mrs. Forrester

-----Detach and Return by Wednesday, September 13th-----

My child _____ needs a school sack lunch. _____

White Milk _____ Chocolate Milk _____
