

Mar 19, 2024

Parents/Guardians,

5th-8th grade students will be going on to Arrow Rock for three days of Discover Nature School. The dates of Discover Nature School are April 3rd, 4th, and May 2nd. On each of the days we will leave Hardeman by 9:45 am, and return before the end of the regularly scheduled school day. Please also review the attached letter from Laura Semkin, as it contains additional information about the field trip, and I have also included the activity schedule for each day as well.

We will be outside for the entirety of Discover Nature School, and we will probably get dirty, so be sure students are dressed appropriately for these days. We will have sunscreen and bug spray available if a student should need some; however, if your student needs a specific brand, please send some for them to use on these dates. Indicate your child's need for a sack lunch by either responding in Remind, or returning the hard copy of this note.

If you have any questions please contact me by e-mail at ahubbard@hardeman.k12.mo.us, or by calling the school either before or after school, or on my plan time from 10:05 to 11:05.

Thank you,

Mrs. Hubbard

My child _____ will need a sack lunch on one (or more) of the field trip dates. Indicate the dates

_____ My child will need a school sack lunch for April 3rd.

_____ My child will need a school sack lunch for April 4th.

_____ My child will need a school sack lunch for May 2nd.
