If you can only go to the morning and not the evening it will be the original \$80. I would strongly suggest any high school age players do both if possible. If you are in high school and going to the night sessions you will sign up the first night at the MHS Courts. Even if you can't come every time, come when you can.

If you are coming out of the 8th grade you may go to the 14 and under group in the morning (Mon. through Thurs.) And the high school group in the evening on Mon. Tues and Thurs. Night. This again would be the original \$80 and \$40 for the extra session in the morning.

There will be round robin doubles tournaments during the summer for the morning sessions. They are tentatively scheduled for: Tues. June 2 & 9. These Tuesdays can last a bit longer. (Approximately 15 minutes) Do try to be prompt in picking up your children every day. Every other regular day we will finish promptly at the listed times. The round robin dates listed above: the 10 & under and 12 & under groups will start at 9:30 as usual & 10:45 for the older morning groups.

Tennis Jamboree Morning is on Tues June 16 (Rain date Wed. June 17). Players will report promptly at 9:00 for pictures (no additional cost). Everyone needs to wear the Marshall Junior Tennis T-shirt. An additional round-robin will begin after pictures on this day with carnival games to follow.

We encourage parents to play with their child, but if it does not work out, you may find an adult of the opposite sex of the child player that is at least 20 years older than the child. The parent/child tournament is boys play with mom and girls play with dad.

If you are going to be out of town or have a conflict just sign up on the first day you are able to come. Also if you have a vacation planned or camp just come when you can. We look forward to some great summer tennis fun.
