

Mr. Hubbard 4th Quarter Newsletter

Dear, Parents and Guardians,

In my preschool PE class they will be doing some different tag games. We will be doing some scooter activities. They will also be doing some different relays that help with working together as a team. We will continue to learn how to throw and catch beanbags, playground balls, basketballs. In my Preschool art class we will be doing some spring art projects, and easter art projects. During their library time they will be checking out books and I will be reading some books to them.

In my Kindergarten PE class we will be getting ready to start practicing for our Spring trackmeet in Blackwater. In my Kindergarten Art class we will be doing some spring art projects, and easter art projects. During their Library time they will be checking books out and learning more about the website called epic reading.

In my 1st-2nd grade PE class we will be getting ready to start practicing for our Spring trackmeet in Blackwater. In my 1st-2nd grade Art class we will be doing some spring art projects and easter art projects. During their Library/Technology time they will be learning more about the websites epic reading and code.org.

In my 3rd-4th grade PE class we will be practicing Volleyball to get ready for our games against Orearville. We will also be starting to practice for our spring Trackmeet at Blackwater. We will be doing our Presidential fitness testing which includes the mile run at Arrow Rock. In my 3rd-4th grade Art class we will be doing some spring art projects and easter art projects. During their Library/Technology time they will be learning more about the websites epic reading and code.org.

In my 5th-6th grade PE class we will be practicing Volleyball to get ready for our games against Orearville. We will also be starting to practice for our spring Trackmeet at Blackwater. We will be doing our Presidential fitness testing which includes the mile run at Arrow Rock. In my 5th-6th grade Art class we will be doing some spring art projects and easter art projects. During their Library/Technology class we will be finishing up are Travel Destination google slides presentation and learning more about the two websites tinkercad.com and tinkerine.com that go along with the 3D printers.

In my 7th-8th grade PE class during 4th quarter we will be practicing Volleyball to get ready for our games against Orearville. We will also be starting to practice for our spring Trackmeet at Blackwater. We will be doing our Presidential fitness testing which includes the mile run at Arrow rock.
